Traditional day	March
All days celebration	March
Committee member meeting	Every second Monday of each Month

Dhole Patil College of Physiotherapy organizes various sports and cultural activities for everyone including fresher and senior batches in presence of faculty members to promote a positive and welcoming atmosphere in the campus. The activities are aimed at fostering relationships between senior students and newcomers, as well as promoting a sense of respect and unity.

The highlights of the events are friendly matches between faculty and students which was filled with excitement and friendly competition and true sportsmanship. Additionally, there are cultural performances by students including junior fresher, seniors and faculty members showcasing their talents in music, dance, and drama. These performance not just entertain the audience but also brings the community together in celebration of diversity and creativity.

Additionally, the Anti-Ragging Committee organizes team-building games and activities to encourage collaboration and teamwork among participants. These activities help in breaking down barriers and building trust among students and faculty.

Overall, it is a great way to promote a safe and inclusive environment in campus and foster a sense of unity and respect among students and staff.
