

COUNSELLING SESSIONS AND PAINTING COMPETITION ON ANTI-RAGGING

Counselling sessions on Anti-Ragging are conducted on timely basis for the students of all the batches of Dhole Patil College of Physiotherapy by various professional counselors hired by the college. Students are sensitized to the detrimental effects of ragging and encourage to uphold values of respect and inclusivity. These sessions emphasize the importance of reporting any incidences of ragging and seeking support when needed. Additionally, a Painting Competition focusing on the Anti-Ragging theme was held on 16th April, 2024, providing students with a creative outlet to express their commitment towards a an environment that is devoid of any form of ragging. Participants showcased their artistic talents while reinforcing the message of zero-tolerance towards ragging. These initiatives aimed to promote awareness and cultivate a safe and supporting campus community for students and also as a measure to undertake extensive publicity against ragging.
