As per guidelines from MUHS, instructions from Principal Sir, and advice from UGC, the Anti-Ragging Day/Week was observed from 12th to 18th August 2023 at Dhole Patil College of Physiotherapy, Pune. The Staff and students from the anti-ragging committee organized the same. All the students and staff attended the event. During this week several activities were conducted on the theme 'say NO to ragging'. Events such as Anti-Ragging Oath, Poster making and skit etc were conducted, and there was overwhelming response from the students. The motive of the same was to create awareness among the students about the hazards of ragging, the social risk associated and legal consequences of the act of ragging among the senior and junior students and curb ragging in the campus and make a ragging free campus. It was a very helpful week as students came to know about the harmful mental and physical effects that can occur due to ragging, also the importance and necessity of anti-ragging was known, and awareness regarding rules and regulations, right to take action by anti-ragging committee and anti-ragging helpline was created.
